## Connecting People and Purpose

If you are a North Dakota taxpayer, you may be able to claim **a credit of 40%** on a minimum donation of \$5,000 to a qualified endowment through the North Dakota Charitable Income Tax Credit. This is on top of the savings you receive on your federal tax return by itemizing your qualifying charitable donations.

The FM Area Foundation holds a number of endowed, agency funds that qualify for the North Dakota Charitable Income Tax Credit. Agency funds are created to permanently support the operations of a particular nonprofit organization.
