TBT to the day we helped the Johnson family "raise the wall" on their new home in Dilworth. Many thanks go out to all of the volunteers and partners such as the Fargo-Moorhead Area Foundation for their Basic Human Needs grant, Lake Agassiz Habitat for Humanity, and the many others for making this dream possible. ❤️❤️❤️

Thanks to **Fargo-Moorhead Area Foundation** for providing financial support to 23 families who needed a hand up to end their crisis.

FM Area Foundation funds helped a single dad who fell behind on his utility bill, an elderly woman who fell victim to predatory lending, and a family experiencing astronomical utility bills due to a faulty furnace. Each of these people, and many more, were touched by support from FM Area Foundation. FM Area Foundation, thanks for helping us **#BeCommunityAction!**
